MESSAGE FROM THE HEADTEACHER

Dear Families

Another super week we have had!

- REMINDER: Please label water bottles!
- REMINDER: Please make sure your children get enough sleep and switch off all devices at least 2 hours before bedtime – we have some very sleepy children in school sometimes.

Assembly

Monday's assembly was our termly House assembly, where the newly appointed House Captains presented to the whole school community, introducing themselves to their housemates.

House Leaders

Salcey – Rachael Stryjek - Reception

Harlestone – Anna Parker - Year 3

Everdon – Rachael Linnell and Sarah Halsall - The Hive

Whittlewood – Andrew Guilder - Year 4

In the assembly, the children learnt about each captain, and it was fabulous to see the schoolwide house members being captivated by their young leaders.

In our last meeting, the new house captains were concerned that many children forget to wear their house badges, as they feel that this is an important symbol of belonging. Therefore, they have come up with the idea of 'secret house point days', where they will award points for badge-wearing. It could be any day, so please support your child to wear their badge everyday.

In our next meeting, the house captains will be finalising their plans for the Christmas events. Watch this space!

We are so proud of our House System – it really helps us come together as a community.

Aspirational

We were thrilled to welcome back Chris Mason, who is an English journalist and the Political Editor of BBC News since 2022. Chris spoke by video link to our Year 6 children as part of a Trust Wide opportunity. The children got to ask lots of questions such as 'How do you deal with people not

answering your questions?' and 'How do you manage feeling nervous? and learnt many things about politics and journalism. Another inspiring opportunity for our young people which fits in well with our Careers and Aspirations team.

EHPS' Kindness hits Westminster

Tuesday was a huge day for us! 12 children from across our school, who were randomly selected, hopped on a minibus with Mr Black, Mrs Fenton and Mrs Roberts and went to the Houses of Parliament to talk about kindness! During the day we met with our local MP, the Leader of the House and even had a private tour. We got to share our amazing work on Kindness. All of the children were fabulous ambassadors for the school and did not shy away from the tough topics. They asked questions such as: "Why are MPs so hostile to each other in Parliament? Why is smoking still legal? Do you think MPs should be more kind to each other? How do you reach a compromise when you don't agree on something?" It truly was a wonderful day filled with once in a lifetime experience and we thank our local MP, Mike Reader, for making it possible.

Year 1 Trip – Abington Museum

Year 1 were out and about on Friday when they visited Abington Museum to help strengthen their history learning all about changes over time. We looked at a collection of old and new toys, focusing on the changes in materials and technology over time, building on last term's history learning. They had a wonderful time and were brilliantly behaved. We are very lucky to have such wonderful opportunities on our doorstep.

Superhero Day

Friday was another special day for our children in the Hive, the Nest and House Captains as they all took part in a special Super Hero Event - Winter Wonderwheels which is part of the Super Hero Tri series. Superhero Tri, is the UK's only disability sports series and was founded by Sophia Warner, a Paralympian. This has meant during November, the children have been busy being active and the event culminated in a big celebration. The children dressed as superheroes and really showed their brilliance. This year we are committed to raising our sporting profile and activity rates for all of our children as their education and health is very important to us. Look at these inspiring pictures...

Have a wonderful weekend everyone,

Ms Pennington

THE HIVE NEWS - PURPLE CLASS

Purple Class are well into the swing of Autumn 2 and are working incredibly hard! The children were very respectful during our minute silence for Remembrance Day and created so truly beautiful tissue paper poppies.

We are continuing to work hard on our Talk for Writing text for this term, Harold and the Purple Crayon and we have really enjoyed being creative with our own purple pens.

In Science, we are LOVING learning about magnets and have been creating our own mazes and using a magnet to move a ball around them!

Finally, in DT, we have been preparing and making soup! The children have worked really hard on this and even peeled and chopped the vegetables themselves!

What a brilliant team we are, Purple Class. Keep it up!

We are appealing to parents to think twice before buying their children e-scooters as presents this Christmas.

Did you know it is illegal to ride electric scooters on public roads, pavements and cycle lanes.

Police can seize any private scooter if they are being used on a public road or footpath and the rider may also be liable for prosecution for traffic offences.

#knowthelaw

#scootsafe

West Northamptonshire Council

Northamptonshire NSRA Safer Roads Alliance

WNC are working in partnership with Northants Police, Northamptonshire Fire and Rescue and Northamptonshire Safer Road Alliance on a campaign to tackle illegal use of Electric Scooters.

We are appealing to parents to think twice before buying their children e-scooters as presents this Christmas given the inherent dangers in them being driven recklessly and the potential for unintentional law breaking.

We want to highlight the dangers of riding e-scooters illegally on roads, pathways and cycle lanes.

Last year, 47 people were injured in collisions involving e-scooters in Northamptonshire. Please take heed of the safety warnings and the potential for prosecution and avoid buying these vehicles for Christmas.

We understand that buying an e-scooter can be tempting, especially as you can get them from many popular retailers.

However, the current law is clear

You can buy one but you can't ride it on a UK public road, cycle lane or pavement. The only place an e-scooter can be used is on private land.

Why is this?

E-scooters are classified as Personal Light Electric Vehicles (PLEVs), so they are treated as motor vehicles and subject to the same legal requirements, such as:

- MOT
- Licensing
- Tax
- Insurance

Some e-scooters have exceptions to this as part of the government trial but this does not extend to any personal e-scooters.

What happens if I am stopped by Police?

Section 59 of the police reform act allows police to issue a warning if a vehicle is being used in a manner which may cause alarm, distress or annoyance. Being issued with this warning does not stop the e-scooter being seized.

Police can seize any private scooter if they are being used on a public road or footpath and the rider may also be liable for prosecution for traffic offences.

This is also the case for anyone using Voi scooters without a licence or registering with the Voi app as this is what covers you under their insurance.

voi.

Voi are a company that are running a trial of the use of e-scooters in Northampton but will be expanding the use of the scooters across the county.

Voi e-scooters have an exemption as part of the government trial which make them legal for use on the road.

To use a Voi scooter you must:

- Be over 18 AND
- Have a full UK or foreign licence or a UK provisional licence
- Have an account registered with Voi via their website or app
- Only use the e-scooters on roads limited to 30mph (not on pavements) or designated cycle lanes.
- Always have full control of the e-scooter whilst you are riding and not allow yourself to be distracted by other things.

You must not:

- Use an e-scooter if you are under 18
- Use an e-scooter if you do not have the correct licence
- Ride the e-scooters on pavements
- Ride an e-scooter under the influence of drink/drugs
- Ride an e-scooter using someone else's Voi account
- Have more than one rider on an e-scooter at a time

For full details on their use look on Voi's website or on their app www.voiscoters.com

For education around the use of e-scooters and road safety go to www.ridelikevoila.com and complete the online training.

Who works at East Hunsbury Primary School?

Meet the Team

Hello everyone! I'm Rachel and I teach in the Hive, in Red Class. I've been teaching for 12 years, 6 of those here and love being a part of the East Hunsbury family.

So, a little about me! Family is important to me, and I can often be found in my spare time playing board games and visiting friends. I like country walks and any excuse for a visit to a café! I have two beautiful cats, the lovely Cassi and my little monster Stitch, who lives up to his name, ripping kitchen roll apart and literally climbing the doors! I love animals and if I hadn't been a teacher, I think I would have loved working at a safari park.

Working in the Hive, there is never a dull day and there is nothing better than when a child you teach has that lightbulb moment, that moment of success where they are as proud as you are of their achievement.

Who's been brilliant this week?

You Are Brilliant!

WEDNESDAY

5 Change your normal routine today and notice how you feel

THURSDAY

6 Try out a new way of being physically active

FRIDAY

7 Be creative. Cook, draw, write, paint, make or inspire

SATURDAY

1 Make a list of new things you want to do this month

SUNDAY

2 Respond to a difficult situation in a different way

9 When you feel you can't do something, add the word "yet"

10 Be curious. Learn about a new topic or an inspiring idea

11 Choose a different route and see what you notice on the way

12 Find out something new about someone you care about

13 Do something playful outdoors - walk, run, explore, relax

14 Find a new way to help or support a cause you care about

15 Build on new ideas by thinking "Yes, and what if..."

16 Look at life through someone else's eyes and see their perspective

17 Try a new way to practice self-care and be kind to yourself

18 Connect with someone from a different generation

19 Broaden your perspective: read a different paper, magazine or site

20 Make a meal using a recipe or ingredient you've not tried before

21 Learn a new skill from a friend or share one of yours with them

22 Find a new way to tell someone you appreciate them

23 Set aside a regular time to pursue an activity you love

24 Share with a friend something helpful you learned recently

25 Use one of your strengths in a new or creative way

26 Try out a different radio station or new TV show

27 Join a friend doing their hobby and find out why they love it

28 Discover your artistic side. Design a friendly greeting card

29 Enjoy new music today. Play, sing, dance or listen

30 Look for new reasons to be hopeful, even in tough times
